"Perfection" In Footwar,

That's what all desire in footwar.
A stylish, graceful Shoe adds the finishing touch to a becoming costume. Yet many merchants, in their haste for appearance alone, sell Shoes which insensibly give their wearens a stilted or awkward carriage, thus defeating the very end in view.

We give you both;
a snug and eary fit with a Stylish and attractive shoe.

Cur buyer bought his extra supply last week, when the maker was preparing for the manufacture of spring goods; when he was willing to make up the balance of his winter silks at a sacrifice in order to close them out. Thus we have these Ascots, Four-in-hands, Puffs and Knot Scarfs at only
